EuroDIG 2020 – what would we like to achieve?

1 of 2

- Contribute to and continue with the follow up process on the UN HLP Report in particular participating to the round table discussions
- Produce practical outcomes, identify next steps for a problem
- Find ways for proper policy governance
- Overcome the discrepancy of legislation and technical standards / evidence based facts like cross border issues and content regulation
- Leverage connecting the unconnected
- Keep sessions practical (focus on the end users)
- Warrant the European perspective to help develop policy
- Get in ALL stakeholder and increase EuroDIGs relevance
EuroDIG 2020 – what would we like to achieve?

- Shape the programme in a way to address new European parliament, commission and the Council of Europe
- Connect the programme to last years discussion (follow up process)
- More focused approach leading to action
- Age balance
- Local participants and local topics of interest
- Connecting to intersessional activities of the IGF (DC, BPF, …)

## Programme structure – Day zero

**YOUthDIG**  
8-10 June 2020

- Comprehensive inclusion of youth in process of internet governance as well as decision making processes  
  An experience gathered on Youth IGF Summit and on IGF in Berlin has shown that we still has a long way to go to achieve this.
