To the General Assembly of EuroDIG Support Association, Dietikon

GFELLER + PARTNER AG

Report of the Statutory Auditor on the Limited Statutory Examination

As statutory auditors, we have examined the financial statements (balance sheet and income statement) of EuroDIG Support Association for the year ended December 31, 2021.

These financial statements are the responsibility of the Multistakeholder Board. Our responsibility is to perform a limited statutory examination on these financial statements. We confirm that we meet the licensing and independence requirements as stipulated by Swiss law. An employee of our company assisted in the bookkeeping during the reporting year. This individual was not involved in the limited statutory examination.

We conducted our examination in accordance with the Swiss Standard on the Limited Statutory Examination. This standard requires that we plan and perform a limited statutory examination to identify material misstatements in the financial statements. A limited statutory examination consists primarily of inquiries of company personnel and analytical procedures as well as detailed tests of company documents as considered necessary in the circumstances. However, the testing of operational processes and the internal control system, as well as inquiries and further testing procedures to detect fraud or other legal violations, are not within the scope of this examination.

Based on our limited statutory examination, nothing has come to our attention that causes us to believe that the financial statements do not comply with Swiss law and the company's articles of incorporation.
